

# SR 704 Cross-Base Highway Project

Washington State  
Department of Transportation

The design of the proposed Cross-Base Highway (SR 704) beginning at the I-5 Thorne Lane Interchange at the west, connecting to 176th Street at SR 7 is underway. As design progresses, the Washington State Department of Transportation (lead agency for the new corridor) will continue to hold monthly meetings to keep interested citizens informed of the project.

WSDOT invites you to attend any of the open house meetings to hear about the design project. All meetings will be an informal "drop in" format with no formal presentation. These open house meetings provide the public with the opportunity to learn more about the project and to share your ideas with WSDOT staff responsible for developing the proposed design.

All open house meetings will be held from 4-6 p.m. and will alternate between Woodbrook Middle School Cafeteria and Camas Elementary School Gym.

## Save the Dates:

**Tuesday June 14, 2005**

**Tuesday September 20, 2005**

4:00 p.m. to 6:00 p.m.

Camas Prairie Elementary School Gym  
320 East 176th Street  
Spanaway, WA
